## Dashboard

The Dashboard page is divided into four sections:

- 1. Terminal Alerts: This section displays the latest news about MPET Connect and its updates.
- 2. Active Vessels: Here an overview of vessels calling MPET is provided including important information as ETA and yard opening time (DCD).
- 3. Labeled Containers: This shows all the containers you've assigned a tracking label in MPET Connect. This allows you to quickly view their status in one overview.
- 4. Truck Parking Occupancy: This section shows the current occupancy of parkings at our terminal.

## Manage Layout

By clicking on this symbol 📱 you can manage the columns visible to you (1) as well as the order in which they are shown (2).
